PETITION SUPPORTING A PEDESTRIAN COUNTDOWN SIGNAL (STOPLIGHT) OR FLASHING BEACON TO MAKE IT SAFER FOR PEDESTRIANS TO CROSS EASTLAKE AVENUE AT EAST NEWTON STREET

We the undersigned urge the City of Seattle to make it safer to cross Eastlake Avenue at E. Newton Street by installing either a pedestrian countdown signal (stoplight and walk/wait light) or a pedestrian-actuated flashing beacon (without walk/wait light); any preference between these two options is shown below by S or B.

name (print & signature)	*e-mail address*	*postal mail address*	*phone*	*preference (or leave blank) S=signal (stoplight); B=beacon*

[Please send petition or drop it by to the Eastlake Community Council at 117 E. Louisa St. #1, Seattle, WA 98102. Must have original signatures and contact information for each. Can have as few as one signer. For questions or more information, contact ECC at info@eastlakeseattle.org or (206) 322-5463. See http://eastlakeseattle.org/?page=pedestrian (the pedestrian safety page of the ECC web site) for the detailed proposal with photo and map, and for a PDF of this petition.]
